# COMPANY OVERVIEW

StrategySync IT Advisors, Inc. specializes in modernizing IT infrastructures through comprehensive cloud solutions, focusing on Amazon Web Services (AWS). Our expertise includes strategy and design, migration services, application development, data analytics, cloud management, security, and compliance. We are committed to delivering scalable, secure, and efficient cloud-native applications and services.

## CORE COMPETENCIES

- **Cloud Strategy & Design:** Assessing existing infrastructures to develop modernization strategies.
- **Migration Services:** Executing secure, scalable cloud migrations.
- **Application Development:** Building high-performance cloud-native applications.
- **Data & Analytics:** Implementing data analytics and AI solutions for business intelligence.
- **Cloud Management:** Providing comprehensive cloud management and optimization.
- **Security & Compliance:** Ensuring robust security protocols and regulatory compliance.

### Differentiators

- **AWS Expertise:** Over 250 AWS certifications and multiple competencies, including Migration and DevOps.
- **Public Sector Focus:** Experience with AWS GovCloud (US) and Authority to Operate (ATO) programs.
- **Proven Methodologies:** Utilizing leading-edge solutions to accelerate digital innovation.

### Past Performance

- **Cloud Migration:** Successfully migrated legacy systems to AWS for various clients.
- **Application Development:** Developed scalable applications enhancing operational efficiency.
- **Data Analytics Implementation:** Delivered AI-driven analytics solutions for informed decision-making.
